SHORT COURSE STUDENTS HERE

Registration to Start Tomorrow—New Subjects Offered.

Registration for the Short Course in Agriculture will begin at 8 o'clock tomorrow morning. Three new courses have been added to the curriculum for the first term and two for the second. Fruit packing, crop rotation, and farm beekeeping will be given the first term. Fruit spraying and the production of pure-bred seeds will be given the second term. Many students who expect to enroll in the short course are already here and are busy getting acquainted with the College of Agriculture and its surroundings. About 200 students are expected to enter the course.

Likes School of Journalism.

N. A. Crawford, head of the department of Journalism at Kansas State Agricultural College, at Manhattan, Kan., was here yesterday visiting the University, principally the School of Journalism. Mr. Crawford expressed himself as strongly
